

Staudinger: BGB. Eckpfeiler des Zivilrechts

Staudinger –A comprehensive commentary of the German Civil Code, offering an ideal combination of innovation and tradition! - Tradition entails responsibility: since 1898 Staudinger has been associated with the German Civil Code and has shared in its development. - Competent: Staudinger is a reliable source of practice-oriented, expert information on changes and developments in legislation, court rulings and literature. - One step ahead: points of controversy or unsolved legal issues are systemically discussed in Staudinger and new, independent approaches to a solution are developed. - The German Civil Code and more: in addition to the commentary of the Civil Code, the complete Staudinger offers a comprehensive commentary of important supplementary legislation, as well as detailed explanations of private international law. - The German Civil Code and Europe: Staudinger consistently takes into account the influences and developments of European private Community law. - Timesaving: thanks to systematic and alphabetical outlines and a detailed subject index, you can quickly find the information required. - A team of experts at your side: 139 highly qualified commentators guarantee a high standard of competent information for use in theory and practice. - Tried and tested: Staudinger is in daily use in renowned law offices, notary's offices and courts. - Always up to date: the development of legislation and court rulings determines the publication dates of new volumes. Volumes are replaced as the need to update the content arises. - Decide for yourself: use Staudinger just as it suits you, without any obligation to take all publications: either by purchasing single volumes, by taking out a partial subscription or a full subscription. - No risk: test Staudinger for 2 weeks without any obligation and then decide if you want to buy. - Online: available only at juris

Das BGB besser verstehen mit den „Eckpfeilern“ Die "Eckpfeiler" sind auf aktuellem Stand wieder verfügbar, u.a. mit den bewährten Pluspunkten: • examensrelevantes Grundlagenwissen • aktuelle examensrelevante Fragen • Prüfungsschemata, u.a. zur AGB-rechtlichen Inhaltskontrolle in der Examensklausur • Unterstützung beim Aufbau einer vielschichtigen juristischen Argumentation • Schemata zur besseren Veranschaulichung schwieriger Zusammenhänge, Strukturen und Hierarchien • Berücksichtigung der wichtigsten Aspekte des Europäischen Privatrechts • Vermittlung von Grundlagenwissen und Verständnis für das System des Zivilrechts durch Querschnittsbereiche, die im Gesetz verstreut geregelte, inhaltlich aber miteinander verbundene Rechtsinstitute im System und Zusammenhang erklären • und natürlich mit aktueller Rechtsprechung und Entwicklungen, z.B. auch zu Covid-19
